

Greenhouse Team Member

The heart of Campbell's is our team of passionate plant lovers who like to get their hands dirty to grow and sell the best plants in Lincoln. We've come together from a range of disciplines and experiences, connected by our commitment to learning and growing together. For over 100 years, Campbell's has been making an enduring impact on our community from backyard retreats to iconic public landscapes. We're always on the lookout for new team members with an eye for design, an eagerness to learn, and great customer service skills.

Campbell's is seeking to hire a full-time position for our greenhouse team. The greenhouse is home to dynamic seasonally changing color, reflected in our visual displays; greenhouse staff are responsible for helping customers select the right plant for the customer's site and provide necessary care information to make the customer's gardening experience successful. They are available to the customer to help troubleshoot when problems arise with their plants, helping to address concerns while educating the customer on environmentally responsible practices. Greenhouse team member ensure plants are kept in saleable condition at all times and maintain the visual appeal of the greenhouses.
