

## **Arborist**

The heart of Campbell's is our team of passionate plant lovers who like to get their hands dirty to grow and sell the best plants in Lincoln. We've come together from a range of disciplines and experiences, connected by our commitment to learning and growing together. For over 100 years, Campbell's has been making an enduring impact on our community from backyard retreats to iconic public landscapes. We're always on the lookout for new team members with an eye for design, an eagerness to learn, and great customer service skills.

An arborist has in-depth knowledge of soil and tree biology, and a good understanding of tree anatomy and disease and pest control in order to maintain the health and attractiveness of a tree to meet the customer's needs. They will provide necessary care information to make the customer's landscaping experience successful. They are available to the customer to help troubleshoot when problems arise in the landscape, helping to address concerns while educating the customer on environmentally responsible practices.

### **Professional Qualifications**

- Arborist License
- Pesticide Applicator License
